Re: Tidy Towns Competition 2010

March 2010

**Dear Householder,**

The Committee would like to sincerely thank all those who dedicated their time and helped out in any way during 2009, whether watering flowers, weeding, painting or making their own houses more beautiful etc, well done and Thank You. Of course our village could not have looked so well were it not for the FÁS Community Services team who tirelessly worked on maintaining our village and helped with the watering of the shrub beds and hanging baskets, we are indeed lucky to have this scheme

The Tidy Towns 2010 Competition is in full swing and we ask everyone to get involved and help us present Kilcar and the surrounding areas at their best. This is the 52<sup>nd</sup> anniversary of the competition and we believe that Kilcar can improve on the 2009 results.

We ask everyone to make a special effort to have their houses/gardens etc in pristine condition and if you see litter in the village or on any of the approach roads, pick it up...please don't leave it for someone else.

There are some projects to be completed before early June so we are asking for volunteers to give a couple of hours help. There will be a general Tidy Towns cleanup organised in the near future We need more help, so it would be greatly appreciated if you could come along. Look out for details in the Parish News Letter.

Official judging for the competition commences from **June 1<sup>st</sup>** onwards, so we need to get everything completed over the next few months.

If you have any **ideas for improvement** or you wish to **offer your help** please Text 0879562854 or email Kilcartidytown@gmail.com with your name followed by 'Tidy Towns' and a member of the Committee will get back to you, remember every bit of help no matter how small will help.

Over the next three months we need a lot of extra help and we earnestly ask all to get involved, - every age group welcome.

Looking forward to building on last year's results

**Kilcar Tidy Towns Committee**
